How did you find out about the Sages Cottage Farm Volunteer Program?

What prompted your interest to volunteer with Menzies Inc?

As most volunteers will come into contact with children on the Farm, we ask that you consent to a police name check. If you wish to volunteer in programs that involve children, you will be required to undertake a working with children check. These checks are of no cost to Menzies volunteers and we are happy to provide you with further information about the process.
